**Re: South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to
 S.C. Code Ann. Section 58-37-40 Integrated Resource Plans for Lockhart Power
 Company
 Docket No. 2019-227-E**

Dear Ms. Boyd:

We are responding to ORS's letter to you dated October 20, 2020 in the above-referenced docket. Mr. Bateman's letter states that counsel for ORS and Lockhart Power Company "attempted to work together to come to a consensus on information to be redacted" in ORS's Report filed on October 21, 2020. For clarification, while ORS shared some limited portions of the Report via email after-hours on Monday, October 20, we did not see the Report until after it was filed on Tuesday, October 21.

Having said that, now that we have the Report, the Company will provide to ORS its designation of the confidential portions of the Report not later than November 3, as ORS suggested in its letter to you, and will work in good faith with ORS thereafter to resolve differences, to the extent there are any, regarding such designation.

Very truly yours,

BURR & FORMAN LLP
